state that are going to be affected by this law in the first place. Almost 98 percent it's going to have no effect at all. Now is that the kind of legislation we should be passing for the people of this state. And, Senator Cudaback, thank you, and I'd yield my time back to the chair.

SENATOR CUDABACK: Thank you, Senator Byars. Mr. Clerk.

CLERK: Mr. President, I have an unanimous consent request. Senator Smith would ask unanimous consent to bracket Legislative...or did you want to move, Senator?

SENATOR SMITH: Yes, I would like to move that with a few brief remarks.

CLERK: Mr. President, Senator Smith would move to bracket LB 303 until January 7, 2004.

SENATOR CUDABACK: You're recognized to open on that motion, Senator Smith.

SENATOR SMITH: Thank you, Senator Cudaback and members. Certainly, there is some items on the agenda that I would like to move along today, including LB 146. And in the interest of time, I've received assurance that we can debate this issue at such time that the bracket motion indicates, January 7th, 2004. And listening to some of these statistics today, I may not even get out of bed tomorrow for fear that something will happen to me. But, nonetheless, I, in the interest of time and other issues on the table, I would with unanimous consent request the bracket of LB 303 until January 7th, 2004.

SENATOR CUDABACK: Any objections to the unanimous consent to bracket LB 303? Seeing none, it is bracketed. Items for the record, Mr. Clerk.

CLERK: Mr. President, Enrollment and Review reports LB 760, LB 760A to Select File. Enrollment and Review also reports LB 759, LB 759A as correctly engrossed. And Revenue Committee reports LB 596 to General File with committee amendments attached. (Legislative Journal pages 1879-1885.)
